

BOSSCARS

Campus Automobile Registration System

PARKING SOFTWARE THAT WORKS.

- ✓ BOSSCARS integrates parking permits and citations with Oracle® based campus systems such as Sungard Banner®, PeopleSoft® and SAP®
 - No need for new hardware
 - Eliminates multiple software systems and duplicate data entry
 - Provides real-time data access
 - Automatically places parking fees and fines on customer's accounts
- ✓ Dependable, accurate data
- ✓ Handheld Ticketwriters – citation information is uploaded and fines automatically placed on customer's accounts
- ✓ Web Interface
 - Online Vehicle Registration
 - Online Appeals
- ✓ Tracks and identifies scofflaws & VIPs
- ✓ Reports – numerous and easy
- ✓ Appeal Process – automates and simplifies
- ✓ Customer Contacts – Allows Parking Staff to track and maintain customer communications
- ✓ Modular system - additional modules can be added as budgets allow – Web Interface, Handheld Ticketers, Payroll Deduction, Hearings, Parking Gates, Wait List.
- ✓ Allows the Parking Office Staff to easily provide excellent customer service
