Overview of BOSSCARS & Banner Integration (BC120)

Course Description

This 4-hour course is intended to provide a detailed explanation of the data transfer from BOSSCARS to Banner and how transactions in BOSSCARS affect Banner. Setup procedures for the BOSSCARS to Banner integration, including the institution specific parameters that relate to Banner (i.e., detail codes and source codes) will also be discussed. The course provides both lecture and hands-on lab time with the student spending approximately 50% of the class time practicing the techniques discussed in the lecture.

Audience

This course is intended for end users, technical staff, and cashiers.
